Dear Parents,

It is a statutory requirement that parents are aware and have access to the Child Protection Policy and Complaints Procedure Policy.

Both policies can be downloaded by visiting our school website.

<https://www.oldwarrenps.com>

They are located in the "Our School" section underneath "Policies".

**Please confirm via See Saw that you are aware of both policies.**

For further information on safeguarding please download the "Safer Schools App"

Thank you for your co-operation.
